

## Indiana Office of Technology (IOT) Information Technology Standard (ITS) 99-1

Technology Profile: Data Communications

Specific Area: Network Hardware

Purpose: To define data communications network hardware standards for the Campus Area Network (CAN), the Metropolitan Area Network (MAN) and the Wide Area Network (WAN).

Standard: A dual vendor standard is hereby established for data network hardware, including hubs, routers and switches. The two vendors selected are Cabletron Systems, Inc. and Cisco Systems, Inc.

Scope: All agencies within the Executive Branch of Indiana State Government

Statutory Authority: IC 4-13.1

Reference: Supersedes the hub and router standards included in the memoranda dated 12/1/94 and 5/11/93.

Effective Date: July 1, 2005 (re-issued)
